Commentaires:

- Title Shot provides outstanding performance combined with maternal strength and structural soundness.
- He was a breeder's favourite at the 2011 Haroldsons Production Sale.
- Full brother to highest selling bull from the prior year's sale at \$20,000, his dam is one of the most notable females at Haroldsons Polled Herefords.

Commentaires:

- Xcelerator has a great EPD spread from BW to YW.
- He provides tonnes of performance, power and pounds.
- Sire by the 2009 Triara Sale topper, Unleashed, his pedigree contains consistent low BW genetics with performance.

Commentaires:

- Xceed provides exceptional balance across the board from birth weight to growth, maternal and carcass.
- His dam is a picture perfect female that continues to produce exceptional offspring at 9 years of age.
- DLF, IEF and HYF
- We discovered Xceed on a farm tour during the 2012 World Hereford Conference. His balance of maternal strength, outstanding phenotype and balanced numbers made him one of the most unique individual we have seen for some time. We were able to team up with Topp Herefords to acquire this outstanding individual. Myles Immerkar, Semex Alliance Beef Programs Manager.
